

GREENER SOLUTIONS

Spot Cleaning Daily Throughout the Year

- Evaluate carpets.
- Vacuum thoroughly.
- Use GREENER SOLUTIONS Spot & Stain Remover to eliminate spots and stains in carpets.
- Pre-spray area and let dwell for 10 minutes. (ADJUST TO **SPRAY** NOT STREAM)
- Agitate with a bone scraper and blot dry with a **BLEACH-FREE**, white, 100% cotton towel.

Quick Weekly Maintenance for Traffic Lanes and Wicking

- Vacuum thoroughly.
- Pre-spray traffic lanes, and wicking areas: Mix 3 to 4 oz. of GREENER SOLUTIONS Carpet & Upholstery Cleaner to 1 gallon **HOT** water.
- Let dwell 10 minutes.
- Bonnet clean using 100% cotton bonnets. (**BLEACH-FREE**)

Pre-Spray/Extraction: During **winter** and **spring** break, if time permits, first pre-spray carpet, mixing 3 to 4 oz. of GREENER SOLUTIONS Carpet & Upholstery Cleaner to 1 gallon **HOT** water. Let dwell 10 minutes.

Mix 2 oz. of GREENER SOLUTIONS Carpet & Upholstery Cleaner to 5 gallons of **HOT** water and flush the carpet (e.g. extract, then bonnet almost dry). Drying the tips of the carpet will stop the carpet from wicking and/or browning.

Extraction Only: Mix 2 to 3 oz. of GREENER SOLUTIONS Carpet & Upholstery Cleaner to 1 gallon of **HOT** water. Activate air movers for quick dry.

Summer Time Carpet Maintenance

- Evaluate carpets.
- Vacuum thoroughly.

Pre-Spray/Extraction: Mix 3 to 4 oz. of GREENER SOLUTIONS Carpet & Upholstery Cleaner to 1 gallon **HOT** water then apply pre-spray to carpet. Let dwell for 10 minutes.

Mix 2 oz. of GREENER SOLUTIONS Carpet & Upholstery Cleaner to 5 gallons of **HOT** water and flush the carpet (e.g. extract, then bonnet almost dry). Drying the tips of the carpet will stop the carpet from wicking and/or browning.

Extraction Only: Mix 2 to 3 oz. of GREENER SOLUTIONS Carpet & Upholstery Cleaner to 1 gallon **HOT** water. Bonnet almost dry using 100% cotton bonnets (**BLEACH-FREE**), rotating bonnet pad every 100 feet. Drying the tips of the carpet will stop the carpet from wicking and/or browning. Activate air movers for quick dry.

CAUTION: Do not allow carpet to stay wet for over 4 hours. This will breed mold, mildew fungus, bacteria, odors etc., and cause IAQ issues.

Soap Free Solutions to Carpet Problems

Caution: Always use rubber gloves when cleaning the unknown!

Blood, Body Fluids: Wear rubber gloves. Using proper blood borne pathogen procedures apply GREENER SOLUTIONS Spot & Stain Remover let dwell 10 minutes, agitate then extract or blot dry using a bleach-free, white, 100% cotton towel.
