Meet Your Instructor

MARK CORNELIUS

Disaster Restoration Company founder, Instructor, Consultant

Mark is an IICRC approved instructor in water, fire/smoke, carpet cleaning OSHA 10 & 30 hour and Forensics Cleaning Technician

As Mark taught his first class he found a passion for teaching and sharing the ins and outs, ups and downs of the industry he has worked in for over 30 years. Mark is still active in the field and performs hands on work in all aspects of the industry; structural drying, carpet cleaning, fire/smoke cleanup and mold remediation.

Mark has taught classes all over the US and Canada and was a contract instructor with RSA for almost three years. Late 2014, Mark decided to form his own IICRC approved school and produced his own curriculum with safety being the first chapter in every book.

Mark Cornelius founded Disaster Recovery Industries, Inc. in 2001. Mark began in the cleaning and restoration industry in 1982 and is IICRC Master Water, Fire and Textile certified and he is still active in the field. When he is not teaching classes it is not unusual to find him still getting his hands dirty and his feet wet. Just ask him when his last water damage was or when he last pulled moldy sheetrock off a wall.

Mark is one of the first in the world holding the ANSI accredited IICRC MRS (Mold Remediation Specialist) certification and sat on the Beta testing of the exam process. Mark also currently serves the IICRC as Vice-Chair of the OCT committee.

Mark is uniquely qualified in the industry as an active volunteer NPQ 1 Fire Fighter since 2004, an EMT Intermediate since 2008, a NPQ level 1 fire instructor.
